

2/12/20

ANNUAL REPORT
Of the Municipal Officers
of the Town of
LOVELL
MAINE

*For the Fiscal Year ending
December 31, 2020*

TOWN OF LOVELL WEBSITE: www.lovellmaine.org

- DEDICATION -

This year's Town Report is dedicated to the over 2 million people globally who have passed away from the Coronavirus (COVID-19) Pandemic. A big thank-you to our first responders, teachers, local businesses, and the Lovell Community for all their efforts that protected us from the spread of this deadly virus.

*Respectfully submitted,
Robert G. Drew
Stephen Goldsmith
Janice Arsenault*

WARRANT FOR TOWN MEETING

To: Larry Fox, constable of the Town of Lovell, in the County of Oxford and State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell in said county, qualified to vote in town affairs, to meet at the Lovell Athletic Fields in said town on Saturday, March 6, 2021, at 10:00 A.M. then and there to act on the following articles, to wit:

Art. 1. To see if the Town will nominate and elect a moderator to preside at said meeting.

Art. 2. To see if the Town will nominate and elect one member of the Selectboard, Assessors and Overseers of the poor for a term of three (3) years.

Art. 3. To see if the Town will vote to authorize the Selectboard to carry forward any unexpended account balances at the end of the 2021 calendar year as it deems advisable, provided that any such transfer is approved at a properly called public meeting of the Selectboard.

Art. 4. To see if the Town will vote to authorize the Selectboard to transfer funds from budget accounts that have unexpended balances at the end of the 2021 calendar year to the budget accounts that have overruns at the end of the 2021 calendar year, provided that any such transfer is approved at a properly called public meeting of the Selectboard.

Art. 5. To see if the Town will vote to authorize the Selectboard to cover overruns in the 2021-year budget with overlay funds/surplus.

Art. 6. To see if the Town will nominate and elect one member to a five-year term on the Planning Board (2026)

Art. 7. To see if the Town will nominate and elect one 1st associate member to serve a term of one year on the Planning Board.

Art. 8. To see if the Town will nominate and elect one 2nd associate member to serve a term of one year on the Planning Board.

Art. 9. To see if the Town will nominate and elect one member to serve a term of seven years on the Budget Committee. (2028).

Art. 10. To see if the Town will nominate and elect a second member to serve a term of seven years on the Budget Committee. (2028).

Art. 11. To see if the Town will nominate and elect one member to serve a term of three years on the M.S.A.D #72 Board of Directors. (2024)

Art. 12. To see if the Town will nominate and elect one alternate to serve a term of one year on the M.S.A.D #72 Board of Directors.

Art. 13. To see if the Town will nominate and elect all other necessary town officers for the ensuing year. (Board of Health, School Fund Officers, School Fund Trustees, Surveyors, Fence Viewers, Fire Wards, Forest Committee)

Art. 14. To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12 of the budgeted amount in each budget category of the Lovell annual budget during the period from January 1, 2022 to the first Saturday in March 2022 Annual Town Meeting.

Art. 15. To see what sum of money, if any, the Town will vote to authorize the municipal officers to appropriate from unappropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during the fiscal year. Selectboard recommend take from surplus up to \$25,000.00.

Art. 16. To see if the Town will vote to allow the Selectboard to accept, at their discretion, any restricted or unrestricted contributions, properties, sales of properties, and any other revenues, which will go into Town Charges. All grants that they or other town committees or boards may apply for may go into those committee's accounts.

Art. 17. To see if the Town will vote to raise and/or appropriate for overdrafts in the following accounts: Town Valuation (\$435.00); Directional Signs- 911 (\$392.42)

Budget Committee & Selectboard recommend raise (11/0/0)

Art. 18. To see if the Town will vote to carry forward the monies in the REA account. **Budget Committee & Selectboard recommend to do so. (11/0/0) Balance forward \$116,357.96**

Art. 19. To see if the Town will vote to carry forward the monies in the Town Conservation account.

Budget Committee & Selectboard recommend to do so. (11/0/0) Balance forward \$24,781.00.

Art. 20. To see if the Town will fix a date when taxes shall come due and payable, and to see if the town will vote to set a rate of interest on taxes remaining unpaid after said date. Maximum rate allowable for 2021 is 4%-6%. **Selectboard recommend 60 days after commitment date and rate of interest at 4% (3/0).**

Art. 21. To see if the Town will vote to allow the School Fund Committee to use the interest in the School Fund for the purchase of books for the New Suncook School Library, unexpended balance brought forward. Selectboard recommend we do so.
Expended \$0.00; balance forward \$6,048.00 with interest.

Art. 22. To see if the Town will vote to authorize the Tax Collector or Treasurer to accept prepayments of taxes not yet committed, pursuant to 36 M.S.R.A. §506.

Art. 23. To see if the Town will vote to have any unappropriated interest, interest and cost income from taxes, clerk fees, commissions and fees from processing registrations and boat and airplane excise credited to the Town Charges account.

Art. 24. To see if the Town will authorize the Selectboard on behalf of the town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they deem advisable, after due advertisement, and to execute quit-claim deeds for said property. This money will go into the Town Charges account.

Art. 25. To see if the Town will authorize the Selectboard on behalf of the town to sell and dispose of any real estate on such terms as they deem advisable, after due advertisement, and to execute quit-claim deeds for said property. This money will go into the Town Charges account.

Art. 26. To see what sum of money the Town will vote to raise and/or appropriate for the Planning Board, unexpended balance to be carried forward. Request \$16,000.00

Budget Committee & Selectboard recommend raise \$16,000.00. (11/0/0) Expended \$3,531.18; carried forward \$1,709.15

Budget Committee & Selectboard recommend raise 1,000.00. (11/0/0)

Art. 85. To see what sum of money the Town will vote to raise and/or appropriate for Community Health and Counseling. Request \$25.00

Budget Committee & Selectboard recommend raise \$25.00. (11/0/0)

2020 Selectboard Report

First off it's our continued wish that you and your families are safe and healthy.

As you know we are in the midst of one of the greatest public health crises this world has seen in over a century, but the Town and its employees have met our commitment with dedication and vigilance. The impact of this crisis on everyone has been huge.

We have kept our budget under control and have only two overdrafts this year, one in Town Valuation (\$435.00 and one in road signs \$392.00). We will take these out of surplus.

We plan on setting aside \$10,000.00 for the next three years to work on our Comprehensive plan and that has been budgeted.

We will be moving our website to a new host, Civic Plus that has a great deal of experience with municipal websites.

Foster Bridge on Fern Drive has been replaced and thanks to the Town crew they did an outstanding job.

This year we plan on raising about \$150,000.00 less than last year.

Hopefully by midsummer we should see a return to some normalcy.

Please let's remain diligent and continue to follow the CDC guidelines so that we can stop the spread of this virus.

The Selectboard must receive in writing **NO LATER THAN DECEMBER 15th** the request for funding for future years.

Please make sure that you put out your street numbers so that all emergency services can find your residence. If you need help with this, please contact the Selectboard.

We all recognize how special Lovell is and we need to all work together in order to keep Lovell growing and to guide it towards the future. Any input that you have would be greatly appreciated.

Respectfully Submitted,
The Selectboard, Town of Lovell

GREATER LOVELL LAND TRUST

As noted by many, “The only constant in life is change,” (Heraclitus). Said another way, “The future ain’t what it used to be” (Meatloaf/Yogi Berra). In this pandemic year we’ve adapted quickly to an unexpected present and a changing future. We’ve looked for new ways to hit refresh on our restricted days and socialize from a distance, and so many have re-discovered the rewards of time spent in nature. Our community has benefited from the vision of the GLLT founders who initiated the land conservation that provides public access to open space in the natural world for our region.

Today, GLLT lands offer **nearly 30-miles of trails** that have been enjoyed more than ever this year as a relief from the limits of the lockdown. Visits to GLLT properties increased early in the Spring of 2020 and continued all year, bringing an economic boost of visitors to the area and reminding us all of the healing properties of a walk in the woods.

GLLT has adjusted on-the-fly to CDC guidelines and we continue to offer fascinating **education programs for all ages** about the natural world. We’ve moved outside, distanced participants, and carried on with evening talks, field trips, and even virtual events for housebound friends, on a range of topics. Programs are offered across the seasons. Look for the **schedule of events, free to all**, at gllt.org.

A key part of our education programs is our conservation internship program. GLLT offers two paid summer intern positions and will be hiring local high school or college-aged students in 2021. Watch our website for details.

The land trust has a small staff, which means that **the dedicated team of more than 50 volunteers is the key to GLLT’s success**. Donating countless hours, these community members work hard to maintain the lands protected by the GLLT and steward the open space for traditional use by the community. Together we meet the growing community needs by clearing and improving trails, re-opening summit views, and even adding access by expanding and plowing trailheads for year-round use.

Protecting the watersheds of our area is the most critical factor in maintaining the pristine water quality that draws residents and visitors to the area’s lakes and rivers. **The land trust owns 2,897 acres that are open to the public** for year-round use and also conserves an additional 2,600 acres through private conservation easements. While we enjoy the benefits of open space and the natural world on the trails, all of these protected lands nourish wildlife, from pines to pollinators to predators, and help sustain a complex filtration system that delivers clean water for our waterways and aquifers.

The defining natural character of our region today needs the support of the whole community to assure that it will be here for our children and the generations to come. GLLT has **developed a strategic vision** to guide our priorities for the next 3 years and we continue to explore, thinking in the near and long-term, how our service area fits into a regional context. We look for **frequent collaboration with other area nonprofits** including area schools, Charlotte Hobbs Library, Hewnoaks Artist Colony, Lakes Environmental Association, Western Foothills Land Trust, Loon Echo Land Trust, Upper Saco Valley Land Trust, and Kezar Lake Watershed Association to build a regional vision and impact that benefits all residents.

Thank you to all of our community members for your help in sustaining our natural resources in a changing world. To learn more or say hello contact us at: info@gllt.org.

Erika Rowland, Executive Director
Jill Rundle, Board President

The Greater Lovell Land Trust works with our neighbors, towns, and like-minded organizations to protect and preserve the ecosystems of the Kezar Lake, Kezar River, and Cold River watersheds for the benefit and enjoyment of the natural and human community today and as a legacy for the future.

LOVELL CONSERVATION COMMISSION 2020

Lovell Conservation Commission
2020

Annual Report

To promote the concept of conservation the Lovell Conservation Commission has sponsored Lovell youths to the University of Maine 4-H Camp and Learning Center at Bryant Pond. Covid-19 changed that for this year, but we remain hopeful that 2021 will be different.

The Commission continues the floral plantings in the triangle at the intersection of Rte. 93/ Rte. 5, Minuteman Park (next to the Library), the Town Office and the North Lovell Library. The tireless effort of Susan Welchman is greatly appreciated.

With the rising prices and care that the annuals take we are planning to transition to more perennials. We welcome anyone who would like to join us and encourage anyone from Lovell to contact the Commission about its programs.

Sincerely,
Eric Gulbrandsen

KEZAR LAKE WATERSHED ASSOCIATION 2020

The Kezar Lake Watershed Association is happy to report 2020 was a good year for our work to preserve, protect and maintain the Watershed for future generations. We learned the new reality didn't have to be a barrier, just a slight nudge to find new ways to address our goals.

For example, our usual July annual meeting at the VFW Hall was out of the question due to Covid so we held a "Virtual Meeting" via a special insert in our summer newsletter. Stay tuned for 2021 meeting plans.

We added two new Directors to our board in 2020 giving us a better cross-section of our 56-square-mile watershed. Our 14 board members represent Kezar's three bays, one stream, three ponds and the town of Lovell. Be sure to check out our new website at kezarwatershed.org for tons of details. It went online last summer and contains about 60 pages of information including many stunning images and even samples of 139 bird calls so you can hear from your loons in February.

Maintaining the best possible Water Quality is always a high priority for the KLWA. We had three professional and many volunteer water samples taken in 2020. All results were well within the acceptable range. For the first time we also measured algae (cyanobacteria) levels in Kezar and Horseshoe Pond and learned our waters are very low risk for algae blooms. We will continue these measures.

Our loon project was challenged by forces difficult to control: predators such as eagles and snapping turtle and nest failures due to many factors. Of the 16 loon pairs in the watershed, only seven produced chicks and only four survived. Work is underway to design a new loon nesting prototype that adds protection for the loons and includes cameras to monitor activity in and around the nests. Please maintain slow boat speed around loon nests to avoid swamping and egg loss.

As awareness of climate change continued to grow so did efforts of the KLWA Climate Change Observatory to track it and identify mitigating practices. A project is in the works to demonstrate how individual property owners can deal with climate change on a local level. Stay tuned.

You've all seen the KWLA Lake Patrol boat and its skipper Turf Ramsden making the rounds on weekends. In 2020 Turf logged 209 hours on the water over 18 weeks. In that time, he handed out 124 free whistles, made 17 boat assists, four swim assists and had eight meetings with game wardens. Thanks to Turf it was a very uneventful boating season.

Our Wakes Project got up to full speed to educate boat owners on issues to individuals, loons and the environment stemming from large boat wakes. Our research and educational flyers have been recognized and used by lake associations across the country.

Finally, and always, special thanks to all our members who stepped up with support in a confusing year. Membership grew 7 percent. Also, thanks to a very hardworking Board of directors, a talented group that gets the job done.

Rick Pilsbury, President
Kezar Lake Watershed Association

LOVELL RECREATION DEPARTMENT

The Lovell Recreation Department wishes to extend its sincere gratitude to the Town of Lovell for its support. A big thank you to our baseball and softball sponsors: Drew Corporation, Nate York Construction, Lovell Hardware, Jordan's Custom Carpentry, Kezar Realty, Walker Electric, Fieldstone Landscaping, Center Lovell Market, Ebenezer's Pub, Micklon Tree and Landscaping, Norway Savings and Rosie's. This year we had two new sponsors: Collin's Heating and Plumbing, and Fryeburg Dental Center. We would also like to thank the VFW, Lake Kezar Country Club, and New Suncook Elementary School for the use of their facilities.

As we all know, 2020 was a year to end all years. Recreation was put on hold for much of the year. We were able to finish our ski program and basketball last year, but had to cancel countless activities, including our summer program.

We were able to offer Babe Ruth baseball, pickup baseball/softball, a short soccer season, and a few other activities. Trailblazers, with the GLLT was a full summer and fall program. Adult Exercise took place outside this fall and then moved to the Fryeburg Rec Center for the winter. The King Pine Ski program is in full swing.

It is our goal to continue to offer as many programs as possible. Currently, one of our biggest obstacles (besides COVID-19), is the cost of transportation. We have set up a "Clynk" fund at Hannaford for returnable bottles, and we use donations to help offset the cost.

The playground project is complete. Thank you to the Lovell Town crew, Steve Fox, and Drew Corp. for putting in the final touches. We are also ready to install bat/equipment holders for our fields in Memory of Wayne McAllister this spring.

If you would like to join the Lovell Recreation Committee, please contact me at lovellrecdirector@gmail.com. We are always looking for new ideas. Be sure to like us on Facebook.

Sincerely,
Margaret L. Dyer, Lovell Recreation Director

LEWIS DANA HILL MEMORIAL LIBRARY

2079 Main Street, Lovell, ME 04051

(Mailing Address) P.O. Box 92, Center Lovell, Me 04016

The year 2020 has been a challenge, to say the least, for many organizations. It goes without saying that fund raising events had to be cancelled, which affected the available funds for operational needs.

There is not a great deal to report regarding this past year, only that closing the facility for two months was a tough but necessary decision. We were able to reopen under strict CDC guidelines and it has been rewarding seeing familiar faces (albeit masked) returning to the library. We have been able to increase our collection of books, DVD's and magazines, while carefully watching the budget. A newsletter/donation request was sent out in June and the patrons of the library responded generously.

We are looking forward to next year to resume our fundraising activities. As we celebrated our 75th anniversary this year, we had a chance to think back on all the changes that have occurred with the library. Hopefully, we will have the chance to celebrate our 75th+1 this summer! If the health of the nation has improved, look for events happening at the library.

We have been very fortunate to have the support of the townspeople and visitors to our area. It allows us to serve the community in ways that the by-laws of 1945 established. We will not be increasing our request for 2021, keeping it at \$8,000. The closure of two months also meant that there were not many expenditures for that period but there was also a drop in donations as many struggled to meet their own challenges.

We thank you for the continued support of the library and hope to see you all in the months to come. Our open hours at this time are: Tuesdays 1-3 pm and Saturdays 9am-noon.

Your consideration is greatly appreciated.
Sincerely,

Kathleen Vachowski
Chairman, Board of Trustees

CHARLOTTE HOBBS MEMORIAL LIBRARY

2020 Annual Report to the Town of Lovell

This past year was a trying time for many, including non-profit organizations like CHML. The year started off on an upbeat note as the Board of Trustees made plans for annual fundraisers like the Mother's Day Brunch, the Golf Tournament and Arts & Artisans Fair. The Annual Taste of Lovell in February was a wonderful community outreach event. About 60 people attended, we had live music and brought in \$591. Then, the COVID-19 pandemic hit.

At the time, we were collaborating with HewnOaks to run an art program celebrating the Maine Bicentennial. This program was made possible by a grant from the Maine Arts Commission. Due to COVID-19 restrictions, the grant was reworded to supply patrons with boxed kits containing the supplies for two projects that could be picked up at the library. 200 boxes were passed out and used to create many images related to our state.

Due to State mandates we had to suspend services for the months of March, April and May but we returned to limited service, dependent on pandemic restrictions and funding availability in mid-June, and interlibrary loan in mid-July. Patrons may now use both in-person services as well as the digital services we have available. The Book Cellar, where you can purchase books, is also open for business.

In spite of COVID-19 we managed to keep one of our annual fundraisers, the Golf Tournament. We'd like to thank all those who helped put the 3rd annual event together and all who participated. Sadly, all the rest fell victim, in all or in part, to the virus. The Arts & Artisans Fair was held digitally in the summer and fall. A big thank you goes out to Julie Frum who made this fundraiser happen. Without the flexibility of the artists we would not have been able to offer the fair virtually. Thankfully, even in these times The Annual Appeal was a big success and The Giving Tuesday Campaign in December was also well received.

In addition, The FRIENDS of Hobbs Library was established during the pandemic which brought in fundraising expertise, community support and volunteer help to the library. Thank you to the 180 new members of the FRIENDS.

A popular program run during the pandemic was the online Meet The Author Series which culminates in January 2021 with Stephen King. The King event brought in new FRIENDS members and much needed support. Our small groups that meet regularly each month continued on Zoom, with the writing group, Storytellers and Page Turners. The knitting group met in the gazebo and the Lego club turned into a small jazz band that practiced in the gazebo.

We thank Jim Bingham for upgrading our wireless internet connection. In 2020, the community used our internet from their cars as well as from within the library.

CHML welcomed new Board members in 2020: Janice Crawford, Alice Carberry, Tim Cyr, Elizabeth Eames, Susan Gregson, Andrea Macht and Charlie Tryder. We said goodbye to long time and faithful members: Paula Hughes, Lynn Hurd, Les Michaud, Jane Nesbitt, David Sears, Nancy Wilson, Donna Woodward and Linda Wurm. Janice, Charlie, and Susan Clout also left the Board in 2020. Our Executive Director, Shelby Monroe resigned in June and Susan Clout was hired as Interim Director for 6-12 months.

The statistics below show how a global pandemic can affect a community non-profit organization like ours:

	<u>2018</u>	<u>2019</u>	<u>2020</u>
Computer Use	2,096	2,189	486
Adult Programs	367	357	79
Adult Programs Attendance	5,704	5,438	698
Children's Programs	104	101	14
Children's Programs Attendance	1,582	1,482	179
Fundraisers	6	7	4

LOVELL HISTORICAL SOCIETY 2020 Annual Report

Due to the COVID-19 pandemic, 2020 should have been a miserable year financially. Without our two summer fund-raisers, our finances looked bleak. Despite this, our Board of Directors decided to continue our work without interruption.

We continued our regular hours of operation and provided free services to all requesting them. We required mask wearing, wiped down surfaces, and practiced social distancing. We conducted a "Thank You" raffle to benefit twelve local businesses, with the hope that the raffle would help them with their financial needs. We even hired two summer interns, thanks to a generous donor who believed now was a critical time to provide jobs for college students.

All of these efforts succeeded. Thanks to your help, we had a good 2020. We made a small profit and also began an endowment fund thanks to the thoughtfulness of Amo Kimball. We completed some large tasks, such as the cataloging of our Charlotte Hobbs collection, and continued to add information to our collections database. Additionally, our organization grew in terms of membership, financial contributions, and physical donations.

How did this happen? Well, our members came through, and we can't thank you enough. Lovell is a great town, with a rich history and an incredible community spirit. We are blessed to be a part of that.

What will happen in 2021 is anyone's guess, but in the spirit of eternal optimism, we are planning for business as usual. Our regular hours of operation remain Tuesdays and Wednesdays from 9am to 4pm and Saturdays from 9am to 12pm. These are our official hours, but you might notice we are open many more hours than that. All are welcome to stop by at any time the building is open. You can investigate town history, conduct genealogical research, or just enjoy the museum display. Additionally, feel free to make an appointment at any time. We can be reached at 925-3234 or by email – lovellhistoricalsociety@gmail.com.

Don't forget that the Society has more than 13,000 collection records online at our website – www.lovellhistoricalsociety.org. The site has over 10,000 images to view as well as information on our archival material. We update the collection records monthly and encourage you to contact us regarding additions or corrections. If you would like to add family photos, we would be more than glad to receive them or scan them and promptly return them to you. Our website also features a documents link where you can view transcriptions of Lovell's vital records, early maps, Lovell Town Reports, and recently updated cemetery records. Check it out!

These accomplishments could not have been achieved without the support and dedication of the townspeople. Your contributions, which have taken many different forms, are greatly appreciated. Thank you so much!

Sincerely,

Catherine Stone, President

LOVELL VOLUNTEER FIRE CO. INC.
3 Hatch Hill Rd. P.O. Box 37 Center Lovell, Maine 04016

2020 Annual Report

To the Residents and Taxpayers of Lovell, Maine,

It's hard to believe a year has actually passed since I returned to position of Chief of the Lovell Volunteer Fire Department and a crazy year it has turned out to be. We here in the Department started the year with much anticipation and high expectations for a great year this however quickly set aside with the onset of the COVID pandemic and all of the new and ever changing "rules" that came along with it. With the cancellation of most all events, within the Dept., the Town of Lovell, and the world as a whole, putting a somber edge on the year to come. With that said I would like to commend our community for the effort they put in to working together and keeping our citizens safe. I hope that moving forward we can return to a more "normal" way of life and put this all behind us.

As for Fire Department business it was a busy year just the same. We had several structure fire calls and major accidents within Lovell and in our mutual aid towns. I thank all of our neighbors for their assistance in Lovell as we continue to build good relationships with them all. As we know mutual aid is important to us all. We continue to try to keep up with the training requirements however with the year of Covid we ended up doing only necessary meetings and training for several months, pretty much closing the firehouse to anything non-essential. All State training was also cancelled. 2021 should be especially busy and challenging trying to get caught up on everything that was missed. Special thanks to three of our members for their time and efforts in completing the Basic firefighter class put on by Fryeburg Fire Dept. Corey Foster, Danielle Foster, and Jeanne Whitney all gave up many nights and weekends to gain the training and are valuable assets to our team. I can't thank them enough for their dedication. We are also trying to restore interest in our Junior Firefighter Program. With a few young prospects starting the hope is to expand this program further and start a new generation of firefighters to assist our aging membership! If you know of anyone interested in becoming a Junior Member please have them contact any fire department member for an application.

The maintenance and testing of our vehicles is always ongoing. Some of this work was also postponed but scheduling has already begun to get back on track. We are in the process of upgrading our apparatus by replacing the 2000 Forestry pick-up truck. We have ordered an F550 4x4 extended cab which should fill that spot for many, many years.

I would like to take a moment to thank each and every member of the Lovell Volunteer Fire Department for everything they do for the Department and the Lovell Community giving unselfishly of themselves in many ways. They have stepped up in these troubled times to assist me in the transition back to Chief as well as help the members of our community stay safe and healthy. There are a lot of amazing people in this family of ours and I have a deep respect and appreciation for each of them. I look forward to working with all of you in what will hopefully be a much better year 2021.

On behalf of the Members of the Lovell Volunteer Fire Department I thank you for your continued support. I look forward to working with you and representing this great town that I call home. Stay safe and healthy and we'll see you in August at the BBQ.

As always if you have any questions regarding the LVFD feel free to contact me anytime.

Respectfully submitted,

Mark S. Moulton
Fire Chief

Incident report 2020

Total number of calls for 2020 was 85 including 16 mutual aid calls.

Fire calls:	15	Rescue and EMS calls:	6
Vehicle accident:	18		
Utility issue:	15	Traffic hazard:	3
Fire/CO Alarms calls:	21		
Smoke investigation:	5	Assist law enforcement:	2

Lovell Fire received Mutual Aid 12 times from our Mutual Aid partners.

PLANNING BOARD 2020 Report

The Lovell Planning Board experienced several leadership changes in 2020. After Alan Broyer took on the role of assistant Code Enforcement Officer, Leigh Kirby stepped into the chair position but had to resign due to family commitments and Heinrich Wurm took over in August, initially on an interim basis. During the year, two associate members were appointed by the selectboard – Diane Caracciolo and Eugene Jordan.

Several Conditional Use permits were reviewed, and 3 site walks were conducted. Preparations to engage a committee to update the Comprehensive Plan included a visit by Lee Jay Feldman from the Southern Maine Planning and Development Commission (SMDPC), the agency that will assist us in this undertaking. Following public notice, a Comprehensive Plan Committee was formed which includes Heinrich Wurm, Jane Lansing, Planning Board, Jill Rundle, GLLT, Eric Gulbrandsen, Conservation Commission and Tim Cyr along with Reagan Young and Eric Sanderson from SMPDC. The committee is currently preparing a survey to assess Lovell taxpayers demographics and opinions on a number of topics. Meetings will be open to the public.

Following the example of other towns, the Planning Board approved a Mission Statement which describes its work to the public.

Mission Statement of the Lovell, Maine Planning Board:

It is the mission of the Planning Board of Lovell Maine, to guide future growth and development in a manner that is environmentally sound, economically viable, and socially responsible, while protecting and conserving the towns rural atmosphere and the recreational values of its properties. Using the towns Zoning, and Shoreline Ordinances and its Comprehensive Plan as its directive, the Planning Board serves the property owners of the Town of Lovell in a respectful manner adhering to the principles of impartiality, integrity, and professionalism.

Due to the pandemic, all Planning Board meetings are being held virtually until further notice. Access via Zoom can be obtained from the town website or by contacting Alan Broyer at ceo@lovellmaine.org.

The Planning Board acknowledges Ron McAllister's many years of service as Lovell's code enforcement officer Alan Broyer as his successor.

Heinrich Wurm, Chair, Jane Lansing, Vice-Chair, Kevin McDonald, Secretary, Richard Legere, Karen Bacchicchi, Diane Caracciolo, Eugene Jordan.

CODE ENFORCEMENT REPORT**Building permits issued for the year 2020 were:**

New Homes	10
Garage/Shed/Barn	24
Additions to Homes	4
Driveways	3
Decks/Porch	7
Docks (New and Replacement)	7
Home Occupations	4
Mobile Homes	3
Subsurface Wastewater Disposal Systems	25
Internal Plumbing	22

Respectfully Submitted,
Ronald McAllister CEO

LOVELL OLD HOME DAYS

We were unable to have Lovell Old Home Days in 2020 due to the pandemic. Our fingers are crossed that we will be able to do something this year. The date for Old Home Days 2021 will be the third weekend in July. (July 16th – July 18th)

Stan Tupaj, has stepped away from Old Home Days, so volunteers and helpers are truly needed. **Please let us know if you would like to help.**

Mary Anne Vitella
Meg Dyer
Stan Tupaj

Raina McCarthy
Abby Nataluk

Deb Cardinal
Carol Craig

KEZAR TRAILBREAKERS SNOWMOBILE CLUB

Kezar Trailbreakers Snowmobile Club takes great pride in maintaining well groomed trails for people of all ages. Trails are not only enjoyed by snowmobilers, but also by dog sledders, snowshoers, and cross-country skiers. Our well-maintained trails provide opportunities for enjoying the great outdoors.

The Kezar Trailbreakers Snowmobile Club usually does a poker rally fundraiser in February or March but due to low club membership, lack of adequate snow cover and Covid-19 we were unable to have this fundraiser in 2020. Hopefully we'll be able to have this fundraiser in 2021.

HELEN R. COE FUND TRUST

In 2020, the Coe Trust Governing Committee disbursed funds from the Trust, including loans to 9 students totaling \$59,600. Fortunately, the Committee was able to provide grants for non-profit organizations serving the Lovell area due to the availability of extra funds in 2019, which were distributed in both March and December of 2020. Remaining funds will be distributed by March 31, 2021. Interest-free loans to students pursuing post-secondary education are available from the Trust to Lovell residents and are based on demonstrated need. Students and organizations interested in receiving help from the Trust can get further information and application forms at the Lovell Town Office. The Committee had long time member Ed Ryan resign and thanks him for his years of service and guidance on the committee. The committee is currently in search of a third member.

The Governing Committee: Joseph Dorner (Secretary) and Linda Dunlea

OXFORD COUNTY SHERIFF'S OFFICE 2020 Annual Report

Sheriff Christopher Wainwright

Deputy Chief James Urquhart

Dear Neighbors, Residents, and Tax Payers,

For the last two years, I have had the honor and privilege to serve the people of Oxford County as Sheriff. Despite the challenges this past year has presented, I am proud of the positive momentum we have heading into this New Year; however, this would not be possible without our team of men and women who continue our mission to serve and protect our communities throughout Oxford County. Their professionalism, integrity, and leadership is what keeps our agency progressing forward.

Looking ahead to 2021, I feel confident that many of our challenges are in the past. This year, our calls to service increased by 20 percent, and we have improved our visibility and response times by utilizing our substations in Brownfield, Rumford, and Bethel. Our plans to convert our current jail facilities from a 72-hour holding facility back to a full-service operation will be finished by July. This will allow the county to restore local control and save our taxpayers money. Additionally, the Town of Dixfield voted to disband their police department and the sheriff's office now has a contract with the town for law enforcement coverage.

This past year, our deputies, corrections officers, and other agency personnel received an outpouring of community support. On behalf of the Oxford County Sheriff's Office, we want to thank everyone for their patience and cooperation as we navigate these difficult circumstances surrounding Covid-19. Our deputies and staff have gone above the call to service and their efforts have not gone unnoticed. This holiday season, a group of community members put together a package for each person in the agency as part of *Operation: Thank the Blue*. Our office is extremely grateful for the generosity we have received, and we want to thank every community member for their understanding and support under these difficult times.

As an agency, we have great opportunities ahead of us and I look forward to the work we will accomplish in the coming year.

Respectfully,

Sheriff Christopher R. Wainwright

Fryeburg Rescue Town Report for 2020

To the citizens of Fryeburg, Brownfield, Lovell, Stow, and Chatham

First off it's my continued wish that you and your families are safe and healthy and I want to thank all of you for your continued support of Fryeburg Rescue. We could not do our job as well as we do without it. We appreciate your feedback and are constantly evaluating and refining our service to suit the changing needs of the communities we serve.

As you know we are in the midst of one of the greatest public health crises this world has seen in over a century but the providers and staff of Fryeburg Rescue have met our commitment with dedication and vigilance. We have responded to all of our calls for service this past year even as we adjusted our protocols to provide the highest level of safety during this pandemic.

Our run volume is down about 16% but we have been able to maintain our present staffing levels.

The impact of this crisis on everyone has been huge and the rising cost of healthcare and medical supplies hasn't helped. Insurance companies cover less of the incurred costs leaving the balance to the patient, most who are already stretched thin financially, and often forcing us to absorb the loss. Over the past year we have taken receipt of our newest ambulance, unit 503, and we are very thankful for all the support we received from our fundraising campaign. We chose to refurbish, upgrade, and remount the serviceable back portion or "ambulance box" from our older unit 503 on a new cab and chassis to reduce cost and waste.

We were also fortunate to be able purchase a Lucas Device, which is a mechanical CPR device recently approved for use by Maine EMS thanks to a grant that we had written and we are on our way towards obtaining a second device. This past year we responded to 802 calls for our service. The breakdown was as follows: 517 calls in Fryeburg, 139 in Brownfield, 88 in Lovell, 23 in Chatham, 23 in Stow and 23 mutual aid calls to other Towns and agencies.

Our budget to the Towns covers only the cost of our operations; including items such as fuel, medical supplies, building maintenance, and utilities. Up until now our payroll and all associated expenses were covered by the revenues we received from billing but, unfortunately, as costs – including the state mandated wage increase, earned paid leave and associated employee expenses continue to rise, our budget is being stretched ever tighter. The total cost to operate Fryeburg Rescue is over \$425,000.00

The Fryeburg Rescue EMS officers for the 2020 calendar year were the following:

Chief, Stephen Goldsmith
Deputy Chief, Eric Meltzer
Assistant Deputy Chief Roberta Lord

The Board of Directors for the 2020 Calendar Year were:

President, Eric Meltzer
Vice President, Penny Parmenter
Treasurer, Bob Ramsay

Other Board Members include, Julie Ontengco, Joann Sparks, Pam Douglass and Bill Kane

If you have any questions or concerns about Fryeburg Rescue please feel free to contact me. Thank you again for all of your support.

Respectfully Submitted by,
Stephen Goldsmith, Chief of Fryeburg Rescue

LOVELL INVASIVE PLANT PREVENTION COMMITTEE (LIPPC)

LIPPC was able to successfully execute our plan for 2020 despite the challenges of the pandemic. Our masked and distanced boat inspectors completed 3,472 inspections, found 36 plants, one invasive plant and one suspected invasive plant. The threat of invasive plants is increasing as more infestations close to our watershed were found. We would like to thank Marty Prox for his unselfish dedication for the past 10 years running our CBI program, he will be missed.

Our 62+ volunteer stewards surveyed Kezar Lake and the other six major ponds in the watershed and found no invasive plants. Our committee contracted Lake & Watershed Resource Management Associates to perform a professional survey of $\frac{1}{3}$ of the watershed and no invasive plants were found.

We did find an invasive species called the Chinese Mystery Snail (CMS) in Kezar Lake and organized 4 dives to assess the extent of the invasion and only 9 other CMS were found. However, this will be an ongoing issue that we face in the future. Over the winter, our committee is formulating a CMS survey team, which will develop a plan for surveys to get us more information on the extent of the spread. Other winter committee work will encompass trying to get legislation passed for the state to increase its focus on the prevention of invasive aquatic plants.

Cushman Pond divers completed their second year of finding no invasive plants. A third year of no IAP's will result in the State taking Cushman off the list of infested waters. This is a feat that is very hard to accomplish! Congratulations to all those volunteers that have made this possible.

Our board will continue to look for ways to improve our program. We must continue our diligence on the ramps and along the shoreline and educate as many people as possible as early detection is the best defense against invasive plants. The discovery of invasives can significantly affect the value of waterfront property and thus the entire tax base of the town.

Last year was one of the most challenging years in our committee's history, we would like to thank the Town of Lovell, private contributors and all the volunteers for their continued support in entrusting us with this important mission.

January 2021

Dear Friends & Neighbors:

These are truly unprecedented times for our state and nation. Our patience and character are continually being tested during this period of social unrest. Accordingly, I am honored by the opportunity to serve as your representative in the Maine Legislature, and I welcome your thoughts as we continue to weather this pandemic together. The coming months of State governance will unfold unlike any other period in our 200+ year history. Now, more than ever before, is the moment for leaders to pull together in the best interests of those we serve.

For the 130th Legislature, I have again been assigned to the Joint Standing Committee on State and Local Government. This panel oversees State Government, including the Legislature, State property, public purchasing and contracts, State agencies and government organization, State employment, oversight of State officials, and the periodic review of the State Government Evaluation Act; the Maine State Archives; administrative procedures, boards and commissions, State holidays and designations, and capitol area planning; county government, including regional planning, budget process and county officials; municipal and local government, including deorganization and consolidation, planning and regulation, land use; discontinued and abandoned roads, along with cemeteries. As much of our work will likely be done virtually, I encourage you to monitor proceedings via the new YouTube channel, which can be found at <https://www.youtube.com/c/MaineStateLegislature/channels>.

Undoubtedly, the biggest agenda item for lawmakers during our First Regular Session is the biennial budget. The \$8.394 billion two-year financial plan will be heavily scrutinized over the weeks and months ahead. I look forward to collaborating with my colleagues to make certain every dollar sent to Augusta by you, the taxpayer, is used as efficiently as possible.

Thank you for the opportunity to serve the good people of District 117. If you have an interest in receiving my regular e-newsletter, please send along your email address so that it can be added to my distribution list.

Best regards,

Frances M. Head

Judiciary Committee
Government Oversight Committee

Dear Friends and Neighbors:

Thank you for allowing me the honor of serving you in the Maine Senate. I am grateful that you have put your trust in me and I will continue to work tirelessly on your behalf.

As you are keenly aware, Maine is in the midst of great difficulty, with public health concerns and a response that has decimated many sectors of our economy. The 130th Maine Legislature faces the challenge of a projected \$1.4 billion budget shortfall which will significantly impact expenditures. Deciding where to make the cuts will be difficult, yet Maine government must live within the limits of its revenue.

As we move through the Legislative session, I will be strongly opposing increased taxes and excessive borrowing. Like many Maine families, state government must tighten its belt in slow economic times and make the difficult decisions that will allow us to remain financially stable. It is also critically important that we restore balance in government, where both the Governor and the Legislature work together on behalf of the Maine people and all voices are heard in the process.

As the public health situation continues to evolve, the method the Legislature employs to conduct its business is sure to shift and change. While unusual meeting styles may continue to be the norm, it is imperative that the public continue to have access to and play a critical role in the work of the Legislature. Please do reach out to request my newsletter to stay updated on legislation and ways to make your voice heard.

Here in western Maine, we are blessed to have an outdoor playground that provides ample opportunity to escape and refresh. As we continue to battle through this time where much comforting normalcy has been lost, I hope you find solace in what we can enjoy right in our own backyard.

Again, thank you for electing me to serve you in the State Senate. The 130th Legislature has a great deal of work to do; I believe that working together, we can affect positive change. Please contact me if you have comments, questions or would like assistance in navigating our state's bureaucracy.

Sincerely,

Lisa Keim

Dear Friends,

I hope this letter finds you safe and well. I know that this year has been challenging for many of our communities. In the midst of these challenges, it remains a privilege to represent you, and I appreciate the opportunity to update you on what I have been working on in Congress for the people of the Second Congressional District.

The coronavirus pandemic has made this year an especially difficult one. We've seen the struggles of small businesses, workers and families, hospitals, and states and towns. COVID-19 has been a serious threat to public health that requires a comprehensive, ongoing response. In March, Congress passed the largest of three bipartisan pieces of relief legislation, the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*. The *CARES Act* was a \$2 trillion economic relief package to provide immediate assistance for some of those hit hardest by the pandemic. While an important start, many of the programs and benefits created by the *CARES Act* were set to expire by the end of 2020 at a time when COVID-19 cases were on the rise. That's why in late December, Congress passed another bipartisan bill to provide COVID-19 relief to small businesses and hospitals, the unemployed, and families struggling to put food on the table. However, the action Congress took at the end of 2020 cannot distract from its failure to act sooner. The unwillingness of many members of Congress to accept compromise throughout the fall left many Mainers struggling and led to a rushed process that produced a bill with serious flaws. In 2021, Congress needs to step up, come together, and lead the country through this pandemic and get our economy back on track.

There are a few bright spots that came out of the work done by Congress this year. As a member of the House Armed Services Committee, I helped advocate for a national defense bill that would include important priorities for American national security, Maine shipbuilders, and servicemembers and their families. The legislation authorizes a new DDG-51 Arleigh Burke-class destroyer to be constructed at Bath Iron Works and helps BIW compete for new work by encouraging a new multi-year procurement process for the DDG-51 Flight III. This funding bill also makes permanent new federal guidelines proposed by Senator King and me to allow Gold Star Families free admission to national parks and other federal lands.

I've been working to improve mental health services for veterans for years, and I led the Maine delegation's effort to address the need for long-term mental health substance abuse treatment for veterans in our state. This past fall the Veterans Administration announced we were successful. Construction starts next year on a new, 24-bed facility at Togus that will ensure Maine veterans won't be sent out of state to receive residential care for substance use disorder and associated mental health issues. This is one result that I am especially proud to deliver for my fellow Maine veterans.

As I reflect upon what I am most grateful for this year, I am especially glad to be able to share that my wife Izzy and I are expecting a baby in 2021. We are excited about this new addition to our family and look forward to the blessings ahead.

This period is challenging for Mainers as we all take steps to limit the spread of the coronavirus, protect our families and our communities, and lean on each other to withstand this pandemic and economic hardship. My staff and I stand ready to assist Mainers as we work through these challenges together. I look forward to continuing to work on your behalf in 2021.

Respectfully,

Jared Golden
Member of Congress

Dear Friends,

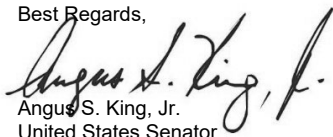

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the *CARES Act* passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the *CARES Act* lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the *Great American Outdoors Act*, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher– made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,

Angus S. King, Jr.

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine's annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided "exactly what we needed at exactly the right time." The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine's roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation's seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer's disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator
