

ANNUAL REPORT

Of the Officers of the Town of

LOVELL MAINE

FOR THE FISCAL YEAR ENDING

December 31, 2021

IMPORTANT

ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM

Chapter 81, Section 35 of the Revised Statutes of Maine require the Assessors to give notice to bring up lists of taxable property. If no lists are brought in, no claim for abatement.

"Before making an assessment, the assessors shall give reasonable notice in writing to the inhabitants by posting notifications in some public places in town, or shall notify them in such other way as the town directs, to make and bring in to them true and perfect lists of their polls, and all their estates, real and personal, not by law exempt from taxation, of which they are possessed on the first day of April of the same year. If any resident owner after such notice, or any nonresident owner after being reasonable requested thereto by the assessors, does not bring in such a list, he is thereby barred of his right to make application to the assessors, or county commissioners, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon nonresident owners may be proved by a notice sent by mail to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayer."

Attention Dog Owners -

All dogs who are 6 months of age, or older, must be licensed by January 1st. Bring with you a current Rabies Certificate, a Certificate of Spaying or Neutering and an accurate description of the dog. Registrations can be done online for your convenience. It is your responsibility to license your dogs, not the Animal Control Officer. Their duty is to remand any who are not licensed.

Please see that your dog is under your control - on your own property at all times.

- DEDICATION -

The 2021 Lovell Town Report is dedicated to

The town of Lovell would like to once again, dedicate the Annual Town Report to all the Lovell residents who are in the healthcare system, who are first responders, and who are essential services employees.

These selfless individuals have been battling the Covid-19 pandemic without a break for over two years. Their devotion and professionalism have saved countless lives. The Covid vaccines, boosters and new medications seem to offer a glimmer of hope that the end of this horrific pandemic may be in sight.

WARRANT FOR TOWN MEETING

To: Larry Fox, constable of the Town of Lovell, in the County of Oxford and State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell in said county, qualified to vote in town affairs, to meet at the Lovell Volunteer Fire Building located at 3 Hatches Hill Road in said town on Saturday, March 5, 2022, at 9:00 A.M. then and there to act on the following articles, to wit:

Art. 1. To see if the Town will nominate and elect a moderator to preside at said meeting.

Art. 2. To see if the Town will nominate and elect one member of the Board of Selectmen, Assessors and Overseers of the poor for a term of three (3) years.

Art. 3. To see if the Town will vote to authorize the Selectboard to carry forward any unexpended account balances at the end of the 2022 calendar year as it deems advisable, provided that any such transfer is approved at a properly called public meeting of the Selectboard.

Art. 4. To see if the Town will vote to authorize the Selectboard to transfer funds from budget accounts that have unexpended balances at the end of the 2022 calendar year to the budget accounts that have overruns at the end of the 2022 calendar year, provided that any such transfer is approved at a properly called public meeting of the Selectboard.

Art. 5. To see if the Town will vote to authorize the Selectboard to appropriate from unappointed surplus, 25% of the matching grant that we applied for to repair the ramp at the narrows landing. We have an opportunity to participate in a 75% to 25% matching grant. The project should cost around \$100,000.00. **Selectboard recommends we do so.**

Art. 6. To see if the Town will vote to allow the Selectboard to expend Coronavirus Local Fiscal Recovery Funds (a.k.a. ARPA funds) received by the Town from the Federal Government as they deem to be in the best interest of the Town. *(On March 11, 2021, the American Rescue Plan Act (ARPA) became law. This federal law is in an effort to support recovery from the COVID-19 pandemic.)* **Selectboard recommends we do so.**

Art. 7. To see if the Town will vote to authorize the Selectboard to cover overruns in the 2022-year budget with overlay funds/surplus.

Art. 8. To see if the Town will nominate and elect one member to a five-year term on the Planning Board. (2027).

Art. 9. To see if the Town will nominate and elect one 1st associate member to serve a term of one year on the Planning Board.

Art. 10. To see if the Town will nominate and elect one 2nd associate member to serve a term of one year on the Planning Board.

Art. 11. To see if the Town will nominate and elect one member to serve a term of seven years on the Budget Committee. (2029).

Art. 12. To see if the Town will nominate and elect a second member to serve a term of seven years on the Budget Committee. (2029).

Art. 13. To see if the Town will nominate and elect one alternate to serve a term of one year on the M.S.A.D #72 Board of Directors.

Art. 14. To see if the Town will nominate and elect all other necessary town officers for the ensuing year. (Board of Health, School Fund Officers, School Fund Trustees, Surveyors, Fence Viewers, Fire Wards, Forest Committee)

Art. 15. To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12 of the budgeted amount in each budget category of the Lovell annual budget during the period from January 1, 2023 to the first Saturday in March 2023 Annual Town Meeting.

Art. 16. To see what sum of money, if any, the Town will vote to authorize the municipal officers to appropriate from unappropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during the fiscal year. Selectboard recommend take from surplus up to \$25,000.00.

Art. 17. To see if the Town will vote to allow the Selectboard to accept, at their discretion, any restricted or unrestricted contributions, properties, sales of properties, and any other revenues, which will go into Town Charges. All grants that they or other town committees or boards may apply for may go into those committee's accounts.

Art. 18. Shall an ordinance entitled "2022 Amendments to the Lovell Zoning Ordinance Regarding Uses Not Listed on the Table of Land Uses" be enacted.

Selectboard recommends we do so.

Art. 19. To see if the Town will vote to take out of surplus to cover overdrafts in the following accounts: Athletic Field (\$345.08); Beaches and Landings (\$3,871.20); Planning Board, (\$319.52.) Request \$4,535.80

Budget Committee & Selectboard recommend take out of surplus \$4,535.80 to cover overdrafts. (10/0/0)

Art. 20. To see if the Town will fix a date when taxes shall come due and payable, and to see if the town will vote to set a rate of interest on taxes remaining unpaid after said date. Maximum rate allowable for 2022 is 4%.

Selectboard recommends 60 days after commitment date and rate of interest at 4.00%.

Art. 21. To see if the Town will vote to authorize the Tax Collector or Treasurer to accept prepayments of taxes not yet committed, pursuant to 36 M.S.R.A. §506.

Art. 22. To see if the Town will vote to allow the School Fund Committee to use the interest in the School Fund for the purchase of books for the New Suncook School Library, unexpended balance brought forward.

Selectboard recommends we do so.

Expended \$0.00; balance forward \$6,048.07 with interest.

Art. 23. To see if the Town will vote to have any unappropriated interest, interest and cost income from taxes, clerk fees, commissions and fees from processing registrations and boat and airplane excise credited to the Town Charges account.

Art. 24. To see if the Town will authorize the Selectboard on behalf of the town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they deem advisable, after due advertisement, and to execute quit-claim deeds for said property. This money will go into the Town charges account.

Art. 25. To see if the Town will authorize the Selectboard on behalf of the town to sell and dispose of any real estate on such terms as they deem advisable, after due advertisement, and to execute quit-claim deeds for said property. This money will go into the Town charges account.

Art. 26. To see if the Town will vote to carry forward the monies in the REA account.

Budget Committee & Selectboard recommend we do so. (10/0/0)
Carry forward \$52,604.70

Art. 27. To see what sum of money the Town will vote to raise and/ or appropriate for the Planning Board, unexpended balance to be carried forward. Request \$27,000.00

Budget Committee & Selectboard recommend raise \$27,000.00 (10/0/0) Expended \$18,028.67; carried forward (\$319.52)

Art. 28. To see what sum of money the Town will vote to raise and/or appropriate for the Appeals Board, unexpended balance to be carried forward.

Budget Committee & Selectboard recommend raise \$4,000. (10/0/0) Expended \$1,157.98; carried forward \$997.52.

Art. 29. To see what sum of money the Town will vote to raise and/or appropriate for Town Charges for the ensuing year, unexpended balance to be carried forward. Request \$450,000.00.

Budget Committee & Selectboard recommend raise \$450,000.00 (10/0/0) Expended \$457,700.06; balance forward \$187,070.06.

Art. 30. To see what sum of money the Town will vote to raise and/or appropriate for the care and maintenance of Town Buildings & Grounds, unexpended balance to be carried forward. Request \$44,000.00.

Budget Committee & Selectboard recommend raise \$44,000.00. (10/0/0) Expended \$23,806.93; balance forward \$74,934.72.

Art. 31. To see what sum of money the Town will vote to raise and/or appropriate for the care and maintenance of Town Tennis Courts, unexpended balance to be carried forward. Request \$1,000.00.

Budget Committee & Selectboard recommend raise \$1,000.00. (10/0/0) Expended \$00; balance forward \$6,000.00.

Art. 32. To see what sum of money the Town will vote to raise and/or appropriate for maintenance and operation of all waste facilities (to include compacting, white goods, stump dump and septic waste spreading dump), unexpended balance to be carried forward. Request \$120,000.00.

Budget Committee & Selectboard recommend raise \$120,000.00. (10/0/0) Expended \$300,920.39; balance forward \$49,244.07

Art. 33. To see what sum of money the Town will vote to raise and/or appropriate toward the Lovell Athletic Field Account, balance to be carried forward. Request \$5,500.00.

Budget Committee & Selectboard recommend raise \$5,500.00. (10/0/0) Expended \$7,269.70; balance forward \$(345.08).

Art. 34. To see what sum of money the Town will vote to raise and/or appropriate for New Town Office Account.

Budget Committee & Selectboard recommend raise no monies.

Expended \$00; balance forward \$105,000.00.

Art. 35. To see what sum of money the Town will vote to raise and/or appropriate for the restoration of the Lovell Town Hall.

Budget Committee & Selectboard recommend raise no monies.

(10/0/0)

Expended \$00; balance forward \$21,596.73.

2021 SELECTBOARD REPORT

First off it's our continued wish that you and your families are safe and healthy.

We are still in the midst of the greatest pandemic we have seen in over a century. Our hearts go out to all of you that have been impacted by this. The Town and its employees have met our commitment with dedication and vigilance.

We have kept our budget under control and have only three overdrafts this year, one in The Athletic field for (\$345.08) and one in Beaches and Landings (\$3,871.20) and one in the Planning Board (\$319.52). We will make a motion to take these out of surplus.

We have been working on the Comprehensive plan and there was a public hearing last summer with some results from the questionnaire.

Our new website has been working great and it seems to fill all of our needs.

This year we plan on raising about \$128,900.00 more than last year. Costs keep rising and we are trying to do our best to control the Town budget while still providing everyone with the services that they expect.

We have joined forces with Denmark, Sweden, Brownfield, Lovell, Stoneham, Stow, Fryeburg, and Chatham to form a Broadband group and we are now called the Eastern Slopes Regional Broadband (ESRBB) Committee. Recently our group was awarded a \$59,000 Phase II planning grant by the ConnectMaine Authority.

Please let's remain diligent and continue to follow the CDC guidelines so that we can stop the spread of this virus.

The Board of Selectmen must receive in writing **NO LATER THAN DECEMBER 15th** the request for funding for future years.

Please make sure that you put out your street numbers so that all emergency services can find your residence. If you need help with this please contact the Selectmen.

We all recognize how special Lovell is and we need to all work together to in order to keep Lovell growing and to guide it towards the future.

Any input that you have would be greatly appreciated.

Respectfully Submitted,
The Selectboard, Town of Lovell

updated 1/17/22

GREATER LOVELL LAND TRUST

Greater Lovell Land Trust (GLLT) – with its small year-round staff and dedicated team of more than 50 volunteers donating countless hours – **is busy with service to Lovell and the surrounding communities**, even as the pandemic and social and environmental challenges swirl around us all.

Public access to miles of **trails and convenient parking areas at nine different properties** and **popular walks, talks, and educational programs** offer a diversity of ways to experience the outdoors. This year, we added signs, improved several sections of trail, and updated maps and blazing throughout our trail network.

In response to community demand, **we expanded educational programs to span the seasons in regular partnership with Lovell Rec, New Suncook PTA, Charlotte Hobbs Memorial Library, and Hewnoaks Artist Colony.** In 2021, new family-friendly offerings included the 1st Annual Community Snow Day, annual Easter Egg hunting along two trails, and a Jack-o-Lantern walk. GLLT also handed out candy for the 2nd year in the Lovell drive-by trick-or-treating at its Lovell village office location with staff disguised in *Corpse Bride*-themed costumes. You can **borrow adult and youth snowshoes at the library and check out our first winter book for the popular Kezar River Reserve Storybook Trail, *The Mitten* by Jan Brett, which was recently installed for families to enjoy.**

We are **plowing trailhead parking areas again this year**, so get out on your own for some winter solitude or look for scheduled activities, free to all, on our website: gllt.org/calendar.

GLLT supported the community more directly with events that broadened understanding about recycling at the transfer station and added the new North Lovell Food Pantry to its annual “feeding our neighbors” hike and food donation drive in November. Each year, **GLLT offers paid summer intern positions for area youth** to learn about the region’s amazing landscape and resource conservation. In 2021, we hired three high school and college students from the towns of Sweden and Lovell.

GLLT defines its service area by the towns we serve: Lovell, Stoneham, Stow, and Sweden; and by the watersheds in those towns: **Kezar Lake, Kezar River, and Cold River.** **Strategically conserving and thoughtfully managing the woods, wildlands, and wetlands** that characterize the area’s stunning landscape is the core of the land trust’s work. With the donation of a 282-acre conservation easement on Popple Hill in Sweden, the expansion of our Charles Pond Reserve to 119 acres, and the bequest of 1-acre of waterfront on the Kezar Narrows, **GLLT now conserves 6,049 acres, 2,952 acres is owned and open to the public for year-round use.**

Thank you to the residents of our communities, both year round and seasonal, and to visitors to our communities, for your support in sustaining our ecological systems and the critical natural values and resources they provide for humans and wildlife. More information about our work may be found at: info@gllt.org. We look forward to seeing you all, and hope you will be joining an outing, or dropping by the office to chat.

Erika Rowland, Executive Director
Jill Rundle, Board President

The Greater Lovell Land Trust works with our neighbors, towns, and like-minded organizations to protect and preserve the ecosystems of the Kezar Lake, Kezar River, and Cold River watersheds for the benefit and enjoyment of the natural and human community today and as a legacy for the future.

LOVELL CONSERVATION COMMISSION 2021

Lovell Conservation Commission

During this past year a considerable amount of time was spent by a subcommittee evaluating the recycling and material handling at the Transfer Station. The facility has been expanded in a piecemeal fashion and this committee evaluated the existing systems and considered the future projections of recycling. The waste stream is tightening and clean recyclables will become mandatory. To that end a building was designed to replace a number of old trailers and modernize the storage and handling thus increasing the efficiency and reduce the volume of material to our downstream facility Maine Waste to Energy (MWE) in Auburn, Maine.

A proposal was made to the Selectboard in June, but it was tabled as they requested further evaluation of the whole site and process. This project will be revisited in 2022.

And yes there was a continuation of the floral plantings around town specifically at the intersection of Rte 5 and Rte 93, Minuteman Park, Town office and the North Lovell Library. None of which could have been done without the tremendous effort by Susan Welchman to whom I am grateful.

Eric Gulbrandsen

KEZAR LAKE WATERSHED ASSOCIATION 2021

First and foremost, thank you all for your generous support: individuals, corporations, volunteers and friends. You are our lifeblood; you make everything we do possible.

2021 was a good year for our watershed. Highlights:

1. We introduced LakeSmart, a state-wide program of Maine Lakes that partners with lakeshore land owners to utilize "best practices" for protecting our water quality. Eleven LakeSmart awards were given, the most in the program.
2. Our loon families got new and greatly improved nesting platforms which contributed to an encouraging chick survival rate. The platform design was adopted by many loon programs across the area.
3. Loon chick productivity was the highest since we began our five-year loon study. Nine of thirteen hatchlings survived past the benchmark age of six weeks. Community support played an important role in this outcome.
4. Our Water Quality work continued at full capacity with ongoing support from volunteers and environmental professionals. Data collected indicated our water quality was excellent. With your help it will stay that way.
5. Lake Patrol spent 216 hours on Kezar Lake and conducted 514 safety checks with zero serious incidents.
6. "Vigilance" was named our top priority to assure we are aware, on a timely basis, of activities that may impact the Watershed.

Thank you again for your support. Our work will never be finished. It's all about the journey.

Rick Pilsbury, President
Kezar Lake Watershed Association

LOVELL RECREATION DEPARTMENT

The Lovell Recreation Department wishes to extend its sincere gratitude to the Town of Lovell for its support. A big thank you to our baseball and softball sponsors: Drew Corporation, Nate York Construction, Lovell Hardware, Jordan's Custom Carpentry, Kezar Realty, Micklon Landscaping and Tree Removal, Collins Plumbing and Heating, Center Lovell Market, Fieldstone Landscaping, Walker Electric, and Rosie's. We would also like to thank the VFW, Lake Kezar Country Club, Charlotte Hobbs Memorial Library, and New Suncook Elementary School for the use of their facilities.

In 2021, the Lovell Recreation Department was thrilled to be able to offer 16 programs, in our attempt to get back to normal. We were very excited to offer the baseball/softball, and soccer seasons. The full day summer program was able to take place and we were even able to take a few fieldtrips. Adult Exercise never skipped a beat.

Our fundraisers were successful this year. The Old Homes Day 5K, Gasping Gobbler, October Raffle Calendar and Christmas tree sale, continue to spread community spirit and provide much needed funding. Thank-you to the Helen Coe Fund for their donation towards the new scoreboard that will be installed this spring.

It is our goal to continue to offer as many programs as possible. We are hoping that the 2022 year allows us to offer more activities. Currently, one of our biggest obstacles is the cost of transportation. We have set up a "Clynk" fund at Hannaford for returnable bottles and are having small fundraisers to help off-set these costs. The Helen Coe Fund has also been helping to offset the transportation costs.

We are currently working on purchasing an ice-skating rink for the community. It will cost approximately \$12,000 by the time it is installed, etc. We will use fundraising money, apply for grants, and of course accept any donations towards this project.

If you would like to join the Lovell Recreation Committee, please contact me at lovellrecdirector@gmail.com. We are always looking for new ideas. Be sure to like us on Facebook.

Sincerely,

Margaret L. Dyer, Lovell Recreation Director

LEWIS DANA HILL MEMORIAL LIBRARY

2079 Main Street, Lovell, ME 04051

(Mailing Address) P.O. Box 92, Center Lovell, Me 04016

To the Selectboard of the Town of Lovell,

Another year has passed and The Lewis Dana Hill Memorial Library is starting to plan on the activities for 2022. It is our hope that we can return to our fund-raising events to supplement funds donated by our faithful supporters and the townspeople of Lovell and Stoneham. In light of trying to keep costs, we will once again ask the town to appropriate \$8000. for the coming year. Receiving the town's 2021 funds earlier than expected was greatly appreciated and allowed us to keep the library open through the pandemic.

We have been operating with our fall hours throughout the year and our patrons have been very mindful of our Covid19 rules and requirements. To say that it has been easy would be incorrect but we all managed to do what was necessary to keep ourselves and our patrons in good health. We are hoping to increase our hours after Memorial Day to three days a week, if all continues to improve.

Our operations manager, Dennis Hodge, has continued to keep the library up to date with the latest books, both fiction and non-fiction, to our patrons' delight. We have been fortunate to also add to our substantial DVD collection and magazine offerings. There has been an increase in new patronage and numbers of items borrowed this year, which in itself, is a positive sign that libraries continue to be places of importance to the towns.

We did manage to have a fund raiser this summer. Our used book and cookie sale, held outdoors was very successful and everyone enjoyed the opportunity to browse and purchase books and baked goodies. It was wonderful to see our friends and neighbors out and about. We do hope to have a breakfast in the spring, book sale and flea market and hopefully a speaker or two in the summer and fall months. This is with our "fingers crossed" that the health of the community will continue to improve.

We thank you again for your generous support and hope that you can stop in during our open hours, Tuesdays 1-3p.m. and Saturday mornings 9a.m.-noon. If you have any questions, please feel free to leave a message on our answering machine and we will return your call. 207-928-2301

Respectfully submitted,

Kathleen Vachowski, Chairman, Board of Trustees

CHARLOTTE HOBBS MEMORIAL LIBRARY

January 18, 2022

We are pleased to report to the community of Lovell that we have hired a new Library Director, Jennifer Dupree, expanded our hours to pre-pandemic levels, and continue to improve and expand services. We also hired a new accountant, Robin Jordan, to help us with our financial management.

The Charlotte Hobbs Memorial Library is operating with solid financial management, planning for our future, and preparing to undertake major renovations this summer to stabilize and paint the building and address the drainage issues in the parking lot.

We are currently upgrading all of our patron technology to better serve residents. With the help of the Helen R. Coe Trust and the Maine Public Library Fund, we are replacing our old patron computers with new equipment. We are replacing the old Apple and Windows desktops with two new 24" Apple Mac desktop computers and two new 24" HP Desktop computers that run Windows. For the first time, we are adding the following equipment for patrons to check out for use in the library or outside on the library grounds during Library hours: two new HP Windows laptops, two new Lenovo Chromebooks. This will allow patrons to work at general reading room tables, outside in the Gazebo, or in the Community Room. They can also go to the study room for privacy for activities such as internet conferences, personal Zoom or Skype calls, job interviews, or court appearances. We are adding ten mobile WIFI hotspots that patrons can check out for use at home or anywhere they can get a T-Mobile signal. They cover more than half of Lovell Township, providing high-speed internet data streaming connections for up to five devices at a time. This will allow patrons without other internet access to attend courses and conferences, stream movies at home, and any other activity that requires an internet connection. Our new website upgrade will be released soon, which will improve patron and community contact.

We expanded our collections budget significantly this past year. After a review of our materials, we also brought books back into circulation that had appeared missing and are replacing materials that were lost.

We held very successful Meet the Speaker events in Zoom and in person, and events with other community leaders. The Meet the Speaker series this fiscal year was sponsored by Norway Savings Bank and last year in part by a grant from the Maine Humanities Council.

The Friends of the Charlotte Hobbs Memorial Library held many successful events and rallied financial support. We held a very successful children's summer program, which was co-sponsored by Greater Lovell Land Trust and coordinated with the Lovell Recreation Department. GLLT, the Lovell Rec Department, the Fire Department, Lovell United Church of Christ, and area businesses united with the Hobbs Library for the annual tree lighting and celebration. This was a year of reaching out and working with more community organizations.

This was a year of expanding programs and services, and rebuilding communication, and connection with our patrons. We expanded the number of volunteers; a member of the Board serves as volunteer coordinator. Participation in the Annual Appeal was up, with patrons returning after a year or more in between donations, which is generally considered an important benchmark. We are gathering circulation statistics and working on increasing circulation over this next year. We are also planning a return of more children's programming and other beloved operations as the pandemic conditions permit.

All of this is possible because we truly are a community organization serving you, an organization of your neighbors, family, and friends ensuring we may continue our mission: serving our community by welcoming all to this free place to learn, connect, share and have fun. Thank you for your participation, your support, your leadership, your care, your'e showing up to be part of our community.

Respectfully submitted,

The Reverend Naomi King
Board President

LOVELL HISTORICAL SOCIETY 2021 ANNUAL REPORT

This past year has been a challenge. For a second year in a row, we were unable to hold our major fundraiser because of the COVID-19 pandemic. Regardless, we did not change our regular operating hours or our services. Additionally, our organization grew in terms of membership, financial contributions, and physical donations. We even produced a 47-minute video history of Lovell, titled *Lovell, Maine. Small Town. Big History.*

In September, we began a critical project – the restoration of the second floor of the Kimball-Stanford House. Two non-functioning bathrooms have been removed, floors and walls reconstructed, and a total rewiring of the electrical service completed. We are now in the process of repairing the walls and floors in preparation for painting. Once completed, most likely before the summer, we hope to expand our museum space.

Come for a visit and take a look! Our regular hours of operation are Tuesdays and Wednesdays from 9am to 4pm and Saturdays from 9am to 12pm. These are our official hours, but you might notice we are open many more hours than that. All are welcome to stop by at any time the building is open. You can investigate town history, conduct genealogical research, or just enjoy the museum display. Additionally, feel free to make an appointment at any time. We can be reached at 925-3234 or by email – lovellhistoricalsociety@gmail.com.

Thanks to a generous donor, we also have two paid summer internships available. All college students or recent high school graduates with matriculation plans are eligible to apply. The internship is for 8 weeks, and hours of work are Tuesdays Wednesdays, and Saturdays during our regular hours of operation. The salary is \$2,500 and applications are due by April 15th.

Don't forget that the Society has more than 13,000 collection records online at our website – www.lovellhistoricalsociety.org. The site has over 10,000 images to view as well as information on our archival material. We update the collection records monthly and encourage you to contact us regarding additions or corrections. If you would like to add family photos, we would be more than glad to receive them or scan them and promptly return them to you. Our website also features a document link where you can view transcriptions of Lovell's vital records, early maps, Lovell Town Reports, and recently updated cemetery records. Check it out!

These accomplishments could not have been achieved without the support and dedication of the townspeople. Your contributions, which have taken many different forms, are greatly appreciated. Thank you so much!

Sincerely,
Catherine Stone, President

LOVELL VOLUNTEER FIRE CO. INC.

3 Hatches Hill Road
P.O. Box 37 Center Lovell ME 04016
ANNUAL REPORT

To the Residents and Taxpayers of Lovell,

As I sit here trying to put this all together before the deadline, I must start by saying I am at a loss for words this year. Many would say that's hard to believe but with all that is happening in the world today I worry about where this great country and the world as a whole is headed. I do know that here in Lovell we are very fortunate to have a community that is always willing to step up and help each other without question. I feel fortunate to be a part of it working closely with all the great people of our town and look forward to growing and continuing this relationship.

Through all the adversities the members of the Fire Department have continued to be committed through their hard work and dedication to serving the town of Lovell and our neighboring communities. I commend all our firefighters and members for their dedication and work ethic. We have some new members this year and a growing number of junior firefighters. To me it is an honor to work with each of them as their knowledge and passion for the fire service grows. This really is an amazing group of men and women that always has each other's back.

As a department we had a very busy year with near if not a record-breaking number of fire calls and the first weeks of 2022 shows no signs of letting up. We completed the purchase of our new F-550 forestry truck in the spring. This has turned into an especially important and versatile front-line piece of equipment. We continue to look at our aging fleet keeping up with testing, maintenance, and repairs as well as what needs to be upgraded looking ahead to what the needs of the town might be moving forward. The North Lovell engine 171 is now 25 years old. This makes me feel old as this was my first truck assignment when it was new. Our ten year and truck committees will be meeting to discuss all the options.

We also got back into the swing of the chicken BBQ this year. It was great to see the community back together for this event. It was a tremendous success and morale booster thanks to everyone who showed up to support it. I would also like to give special thanks to all the private donors who have given to the Lovell Volunteer Fire Dept. Not only through the BBQ but throughout the year. These donations allow us to fund our scholarship account as well as purchase needed items on our "wish list" that otherwise might fall to the bottom of our budget and not make the cut. Some items being the extra equipment on our new forestry truck as well as the utility trailer purchased and being outfitted as an ice rescue/mountain rescue trailer. Again, thank you to you all we really cannot do this without you.

In closing on behalf of the Lovell Volunteer Fire Department I would like to give my sincerest thanks to everyone in this community for their continued support. It is with gratitude that I serve the Town of Lovell and its residents as Fire Chief. As always if you should ever have any questions regarding the LVFD please feel free to contact me at any time. Also please be sure to properly number your residence so in the event we are responding to an emergency we can easily find you.

Be kind and stay safe

Respectfully submitted,
Mark S. Moulton
Fire Chief LVFD

PLANNING BOARD 2021 Report

The Board met 12 times in regular monthly meetings and had 2 additional meetings and several site visits.

Two conditional use applications – a self-storage unit and a 180-acre solar farm – created considerable community interest and continue to do so. Neither project item is represented in the town's Land Use Table under article 6.2 which regulates Land uses permitted in the 10 districts Lovell's Zoning ordinance identifies. As a consequence, the Planning Board *"shall determine which listed use the proposed use is most similar to and the proposed use shall be categorized as that use"*, an obligation the Board felt strongly needed to be changed. The occurrence highlighted the fact that a municipal planning board's task is more akin to a judge's role in interpreting and applying existing ordinances while its response to public opinion is limited at best. We gained renewed awareness of the role Lovell's Comprehensive Plan plays outlining the town's vision and strategy going forward. And we realized the circuitous process an ordinance change or amendment endures before coming before the legislative body – i.e., the town meeting – for a vote.

Publicity and crowded meetings during the lingering Covid-19 pandemic created an additional challenge, as did the fact that our town council had a conflict with the respective applicants. Eventually, the Board received support from the Maine Municipal Association, the Southern Maine Planning and Development Commission and attorneys Durward Parkinson and James Katsiaficas. The lack of high-speed internet hampered the Board's ability to share their meeting to online viewers. Going forward, up-to-date equipment and an improved service connection, should provide in-person as well as online meeting participation.

Following the 1/25/22 vote for a moratorium on industrial size solar developments, it is likely that the ordinance amendment discussion in conjunction with the update of the Comprehensive Plan will reach far into 2022, greatly altering the Board's work load and schedule.

Thankfully, the Lovell Planning Board gained two new associate members in 2021, Sandra Bell and Sheri Paulette who is also the town's tax collector. They replaced Richard Legere and Karen Baccocchi who served this community for 6 and 5 years respectively. Jane Lansing (vice-chair) and Kevin MacDonald (secretary) continued their loyal service while Diane Caracciolo and Eugene Jordan moved to regular member status.

Heinrich Wurm, Chair

COMPREHENSIVE PLAN REVIEW COMMITTEE 2021 REPORT

One of the Planning Board's tasks, codified in article 9.8.D of Lovell's ordinances, is to "write, revise and update the Comprehensive Plan as mandated by Maine State Law for consideration at public hearings and decision by the voters". Late in 2020, the Planning Board, with support from the Select Board, formed a committee to review Lovell's 1992 Comprehensive Plan. At the March 2021 Town meeting, the first portion of this 3-year project was approved. By then, the committee had already been under way meeting every 2nd and 4th Thursday, initially by zoom but later in person in Town Hall. Major goals are to 1. Update facts and figures, important for town planning. 2. Query and listen to Lovell's citizens in interviews and surveys to update and compare living statistics as well poll opinions, obtain historical insight and listen to the amazing array of knowledgeable and concerned citizens, both year-round and seasonal.

To date, with the assistance of Southern Maine Planning and Development Commission staffers, this committee of 5 gathered a considerable amount of baseline data, launched, recorded and presented a community survey, interviewed a number of community leaders and citizens and held a public presentation of their first year survey results on November 15, 2021 in Lovell Town Hall.

Recent developments emphasize the role the Comprehensive Plan can plays in Lovell's future and the committee is looking forward to broad based support from all of Lovell's citizens going forward.

Heinrich Wurm, Chair

Committee members are Jane Lansing, Jill Rundle, Eric Gulbrandsen, and Tim Cyr

LOVELL BROADBAND COMMITTEE

(member of Eastern Slopes Regional Broadband coalition)

The Lovell Broadband Committee is a member of the Eastern Slopes Regional Broadband coalition that is working together to plan and build high-speed internet capability for all residents and businesses in the eight towns that make up the MSAD72 school district. This bigger project area is likely to attract better service providers with more efficient solutions for the project than would be the case for individual small towns.

We know that much of our area is currently underserved or unserved. We need a complete count and measure of connection speed to start the planning and design of an improved system to serve all our community members.

- **Each Lovell resident is asked to visit the town website lovellmaine.org and click on the speed test and the survey. It only takes a minute or two. Feel free to take the speed test several times over several days to measure whether your service level varies.**
- **If your location is NOT served by any internet connection, please call the town office with your location so that it can be included in the count.**

The Eastern Slopes Regional Broadband goal for our community targets 100 mbps download/100 mbps upload as a service standard that will support current and future use. This major improvement in capacity will enable subscription to a reliable connection for all ages and all needs in our community, including remote learning, remote telehealth services, virtual work, business internet, banking and financial transactions, streaming information, video chats with family and friends, video meetings, and the convenience of news, information, daily life, telephone, and emergency alert systems.

In early 2022, Eastern Slopes Regional Broadband was awarded a competitive grant from ConnectME to complete the counting and survey work, and to develop a design and plan to build the needed infrastructure for current and future needs. The designed installation can take several forms, the grant will help cover the costs of determining the best solution and designing a “shovel ready” project design.

Once the counts are complete and the design and planning work is finished, the Eastern Slopes Regional Broadband coalition will request proposals for construction and will start applying for funding that is available for this kind of infrastructure project.

**Be sure to take the speed test,
and remind your friends and neighbors to take it too!**

Note: MSAD 72 includes seven Maine towns—Lovell, Brownfield, Denmark, Fryeburg, Stoneham, Stow, Sweden— and Chatham, NH

58 NEW LOVELL WEBSITE

The Town of Lovell revamped the "Lovell Webpage" to bring more features and provide timely information and notices to the residents and visitors of Lovell. The website provides access to published Board meeting agendas and meeting minutes. Flash Alerts can be shown to advise the public of special events, emergencies, and health warnings. All Town Departments, and Boards, as well as links to the libraries, civic groups and local businesses can be found on the site. The calendar provides the dates of events and meetings around Town. A handy feature is the "Notify Me" button on the home page. Click here and enter your email address. Then choose what items you would like to be notified of. Hit save and when an item is entered or updated, you will be notified.

Permit applications on the Planning Board and Code Enforcement pages allow you to complete an application online and then send it in for review and permitting.

Any local businesses or Civic Organizations located in Lovell who would like a link to their site added to the Community or Organization pages, or if you have a suggestion send to web@lovellmaine.org.

CODE ENFORCEMENT 2021 ANNUAL REPORT

I want to thank everyone for being patient with me during my first full year as your Code Enforcement Officer. There is a lot to learn and trying to fill Ron McAllister's shoes will not be easy. I will continue to work with residents and non-residents alike in providing accurate information to aid them in their building and land use projects.

2021 was a busy year for the Code Enforcement Office. Covid brought many new residents to Town who upgraded their current properties or built new homes. The inflated cost of materials and related shortages reduced the number of small projects, but new builds did not seem to be deterred.

New Homes: 13
Shed/Garage/Barns: 18
Campsites: 3
New Driveways: 9
Docks: 6
Renovations: 19
Decks: 5
Wastewater: 27
Internal Plumbing: 25

Additions: 9
Individual Private
Signs: 1
Demolition: 5
Private Event: 2
Subsurface

There were a number of Violations investigated with most property owners resolving the issues when contacted. Several violations are still ongoing.

Respectfully,
Alan Broyer
Lovell Code Enforcement Officer
Local Plumbing Inspector

OXFORD COUNTY SHERIFF'S OFFICE

Christopher R. Wainwright

Sheriff
Christopher Wainwright

Chief Deputy
James Urquhart

Dear Neighbors, Residents, and Taxpayers,

As I enter my fourth year as Sheriff, I am extremely proud of the work our office has accomplished throughout our western Maine communities, and I am motivated about the momentum our office has heading into the New Year. This would not be possible without the team of men and women who have continued to serve our mission, and protect our communities, with professionalism, integrity, and leadership. It is their work that keeps our agency moving forward.

As I have mentioned in previous years, our calls to service have continued to increase in volume as well as in their complexity. Deputies have responded to more calls regarding mental health concerns since the start of Covid-19, which speaks to the great need for state funding for services for our communities, and our sheriff's departments throughout our state, to keep individuals needing help, and others around them, safe.

We have continued to improve our visibility and response times by utilizing our substations in Dixfield, Brownfield, Rumford, and Bethel. As promised, over this past year, our office successfully completed the plans to convert the jail facilities from a 72-hour holding facility back to a full-service operation. This improvement has restored local control and has already saved taxpayers money.

We have continued our efforts to combat the opioid epidemic in Oxford County by supporting local organizations such as the Western Maine Addiction Recovery Initiative by referring eligible individuals, afflicted by substance use disorder, to Project Save ME. The program is a police-assisted initiative designed to connect those burdened by substance use disorder with recovery coaches, advocates, and other treatment services to assist them with their recovery journey.

On behalf of the deputies, correctional officers, and support staff, I want to thank and acknowledge the continued community support we have received. Your patience and cooperation during the difficult circumstances surrounding Covid-19 has made a great difference. Our deputies and staff have gone above the call to service, and I am happy to hear and see that their work has not gone unnoticed.

As an agency, we have great opportunities ahead of us. I look forward to the work we will accomplish in the coming year. If you have any questions or concerns, please do not hesitate to contact me at 207-743-9554 or follow us on Facebook: Oxford County Sheriff's Office.

I wish you all a safe and healthy year ahead

Respectfully,

Christopher Wainwright
 Sheriff Christopher Wainwright

FRYEBURG RESCUE TOWN REPORT FOR 2021

To the citizens of Fryeburg, Brownfield, Lovell, Stow, and Chatham

First, I want to make sure that you and your families are safe, healthy and dealing the best that you can with our current health crisis, the impact of which has been huge. In addition to which, the rising cost of healthcare, medical supplies, and compensation affects us all. We have seen a marked increase in our run volume, and we have already broken our previous record, with 1,074 calls for service last year.

Maine EMS, and the nation in general, is experiencing a critical EMS provider shortage that is impacting our ability to respond to emergency calls. Like many complex issues there are numerous reasons for this including, pay for EMS providers which have historically been low, with EMTs making around minimum wage and paramedics starting in the high teens. Most EMS providers work multiple jobs to be able to support their families. Compound low pay with increasing training and recertification requirements, an increase in CDC, OSHA, and Maine EMS regulations, and the qualifications to becoming and maintaining status as a licensed EMS provider has become increasingly difficult. While medical education and safety regulations are important, recent changes have been implemented with little or no support for EMS providers and services, forcing those of us affected to bear this burden.

Many communities in Maine rely on organizations like Fryeburg Rescue to provide EMS in their area and many of those communities could not support a full-time paid service. While I believe we all acknowledge the importance of effective EMS, we're still not funded to the extent of many municipal departments that often have a full time staff and provide their employees with a competitive wage, vacation time, health benefits, holidays and retirement. By contrast, Fryeburg Rescue has no full time employees with these benefits and yet we strive to, and I believe we meet our communities' expectations to provide quality health care services and do so within the confines of our operating budget.

Thanks to the generosity of grants we have written and received in 2021 we were able to purchase a second Lucas Device which is a mechanical CPR device recently approved for use by Maine EMS in addition to another power stretcher to be installed in our third truck. Most recently we have applied for and hope to receive funding for two Power Load systems which will mechanically assist in loading patients into our ambulances. This system has the capability to reduce provider back strain and injuries and in some cases, eliminate the need for lifting assistance from other agencies.

We are fortunate to have the dedicated staff that makes up Fryeburg Rescue and we thank you for your continued trust and support.

The Fryeburg Rescue EMS officers for the 2021 calendar year were the following:

Chief, Stephen Goldsmith
Deputy Chief, Eric Meltzer
Assistant Deputy Chief Roberta Lord

The Board of Directors for the 2021 Calendar Year was:

President, Eric Meltzer
Vice President, Penny Parmenter
Treasurer, Bob Ramsay

Other Board Members include, Julie Ontengco, Joann Sparks, Pam Douglass and Bill Kane

If you have any questions or concerns about Fryeburg Rescue please feel free to contact me.

Thank you again for all of your support.

Respectfully Submitted by,
Stephen Goldsmith, Chief of Fryeburg Rescue

LOVELL INVASIVE PLANT PREVENTION COMMITTEE (LIPPC)

LIPPC was able to successfully execute our plan for 2021 despite the challenges of the pandemic. Our boat inspectors completed 3,389 inspections, found 42 plants, 2 confirmed invasive plants, and 2 suspected invasive plants. The threat of invasive plants is increasing as more infestations close to our watershed are found and boat traffic continues to increase. On a bright note, Cushman Pond is now milfoil-free! Divers posted their third year of finding no invasive plants. This is a feat that is very hard to accomplish!

Congratulations and thank you to all the volunteers for your tireless efforts over the past 25+ years to make this possible! Despite this success, dives will continue to be performed annually for the foreseeable future to make sure that the milfoil does not return. In the past dives were paid for by state grants and the Miller Fund, however, the Miller fund has been depleted and the expense is now included in the LIPPC budget.

Our 62+ volunteer stewards surveyed Kezar Lake and the other six major ponds in the watershed and found no invasive plants. Our committee contracted Lake & Watershed Resource Management Associates to perform a professional survey of 1/3 of the watershed and no invasive plants were found. The LIPPC survey team held 2 dives looking for Chinese Mystery Snails and only one snail was found. Our education committee held 2 well-attended plant paddles, one in the lower bay and one in the upper bay, had a float in the Old Home Days parade, and distributed educational materials to those renting in the watershed. We continue to feel that education is the key to our success. Over the winter, our committee will be formulating a plan to address our concern that the State is not moving quickly enough to keep our watershed safe. Current concerns include bait seining on Kezar Lake and bait trapping on the ponds without inspections. We must continue our diligence on the ramps and along the shoreline and educate as many people as possible as early detection is the best defense against invasive plants. The discovery of invasives can significantly affect the value of waterfront property and thus the entire tax base of the town. Last year was one of the most challenging years in our committee's history, we would like to thank the Town of Lovell, private contributors, and all the volunteers for their continued support in entrusting us with this important mission.

Respectfully Submitted,
 Diane Caracciolo – Chair

LOVELL OLD HOME DAYS

The weather was spectacular for the 2021 Old Homes Day festivities. The crowd was thrilled to be back enjoying a well run 5K race and a very entertaining parade. A big thank you to all of our local sponsors. KAJEMO (The Middle School Rock band) kept the crowd hopping. We received a lot of positive feedback about how nice it was to just have a race and a parade, so that is what we are planning for the 2022 festivities. Please feel free to contact any committee member if you would like to help out. The more help, the better the event. Hope to see you there 😊

OHD Committee

Stan Tupaj, Raina McCarthy, Courtney Boucher, and Meg Dyer

KEZAR TRAILBREAKERS SNOWMOBILE CLUB

The Kezar Trailbreakers Snowmobile Club had a short 2020-2021 snowmobile season secondary to inadequate snowfall amounts. During the four weeks of February the snowmobile trails were still in good condition.

Trail work started in October which included the opening of a new trail to Center Lovell Market and the Lodge at Pleasant Point. The removal /clean up of fallen trees from trails, cutting back brush, cleaning up after logging operations, signage, etc.as well as, maintenance of the Piston Bully and Tucker Snow Cat were projects that kept us busy getting ready for the 2021-2022 season.

Our first meeting was in October. The KTSC meets on the third Thursday every month at the Town Hall at 7 pm. New members and volunteers are always welcome and appreciated! Anyone interested can contact KTSC President Steve Fox 928-2350 or KTSC Treasurer Jean Rodrigue 928-2081.

KTSC would like to thank all Lovell residents, our landowners, businesses, and tourists for their continued support, which is greatly appreciated! Please follow all signage and always respect landowner's properties.

Congress of the United States
House of Representatives
Washington, DC 20515-1902

Dear Friends,

I hope this letter finds you safe and well. It remains a privilege to represent you in Congress, and I appreciate the opportunity to update you on what I have been working on for the people of the Second Congressional District.

This year, our small businesses, workers and families, hospitals, states, and towns continued to face challenges related to the coronavirus pandemic. COVID-19 has been a serious threat to public health and our economy that requires a comprehensive, ongoing response. While we are not yet out of the woods, there is a light at the end of the tunnel. Still, I know there are many Mainers who will continue to need assistance getting through this pandemic. I am committed to making sure our communities' most urgent needs are met to get our economy back on track.

One thing I am particularly proud of this year is that Democrats, Republicans, and the Biden Administration worked together to pass the bipartisan *Infrastructure Investment and Jobs Act*, which will make a once-in-a-generation investment in our nation's infrastructure and support Maine jobs. This bill will bring \$1.3 billion to Maine for highways and \$225 million for bridge replacement and repairs, as well as \$234 million to improve public transportation options. It will also allocate over \$100 million to help provide broadband access to the 42,000 Mainers currently without it and make 310,000 Mainers eligible for the Affordable Connectivity Benefit to help families pay for internet access. Crucially, it will also provide Maine with \$390 million to combat Maine's historically high rates of lead poisoning by replacing lead pipes and allowing Maine families access to clean drinking water.

Another one of my priorities in Congress is protecting Maine jobs. For one, shipbuilders at Bath Iron Works are a vital part of our economy, and the ships they build are critical to our national security. Throughout 2021, I led the Maine congressional delegation in pushing back against the Biden Administration's proposed decrease in DDG-51 shipbuilding, a proposal that would have had serious consequences for the shipbuilding workforce at BIW, one of the two shipyards that produces these destroyers, and American naval capabilities around the world. We fought successfully to include authorization for construction of three new DDG-51 destroyers in the final National Defense Authorization Act. I will continue to work hard with my colleagues on the House Armed Services Committee to ensure that we protect our national security and shipbuilding jobs in Maine.

My most meaningful work in Congress continues to be providing direct assistance to Mainers. My staff and I stand ready to serve you. If you are looking for assistance with a federal agency, help for your small business, or want to keep me informed about the issues that matter to you, please reach out to one of my offices below:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767

I am especially glad to share that my wife Izzy and I were pleased to welcome our daughter, Rosemary, into the world this year. Mom and baby are happy and healthy, and we're so thankful for this blessing. We look forward to showing her the beauty of Maine in the months and years ahead. Respectfully,

ANGUS S. KING, JR.

January 1, 2022

Dear Friends,

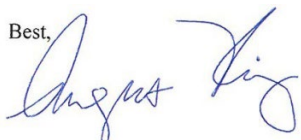

On the heels of 2020's challenges, 2021 brought us both amazing progress and frustrating setbacks. The incredible rollout of several effective, FDA approved COVID-19 vaccines helped reduce the risks of this deadly pandemic – but vaccine hesitancy, combined with the dangers of new variants, have prolonged this crisis and created new risks for Maine people. The challenges raised tension levels to boiling points during the fallout of the 2020 presidential election and the January 6th Capitol attack. But despite that, Congress was able to deliver for a nation gripped by an unprecedented pandemic. As we reflect back on the year, we see the important action that will make a difference for Maine people – as well as work still unfinished.

As COVID-19 continued to impact communities across our state and the country, Congress's first priority this year was to confront the pandemic's health threats and economic toll. We immediately got to work on the *American Rescue Plan*, crafting an emergency bill to meet the moment and get our nation back on stable footing. The legislation delivered essential support to businesses facing crises, households in need, and the medical professionals on the front lines of this fight. The funds helped get vaccine shots in arms, while also confronting the damage done to our economy. All told, the *American Rescue Plan* is bringing billions of dollars to Maine, helping the state continue to push through this crisis and bounce back stronger than ever.

After passing the *American Rescue Plan*, Congress turned its attention to a longstanding but unfulfilled priority: infrastructure. Through hard work and compromise, both parties came together to pass a bipartisan bill that finally addresses key infrastructure needs. For Maine people, the bill means an estimated \$1.5 billion to repair crumbling roads and out-of-date bridges, \$390 million to improve access to clean drinking water, and more. I am most excited about the significant funding for broadband – because, as we have seen during the pandemic, broadband is a necessity to succeed in the 21st century economy. The historic investments in the bipartisan infrastructure bill, combined with additional funding I pushed for in the *American Rescue Plan*, will bring an estimated \$400 million for broadband home to Maine. These funds will be nothing short of transformational, creating new opportunities across our state.

These two bills have made and will continue to make a real difference for Maine people, helping to both address the challenges of COVID-19 and lay a foundation for long-term success. I am proud of what we've accomplished this year – but I know there is still a lot of work to do and that the road ahead is challenging. Even still, I am filled with optimism because I know the true nature of our citizens, though challenged, has not changed. Despite every hardship, people in towns and communities have stepped up with strong local leadership, a willingness to help, and a Maine 'neighborhood' spirit. It is why I truly believe we can and will get through anything together. Mary and I wish you a happy, healthy, and safe 2022.

Best,

Angus S. King

Judiciary Committee
Government Oversight Committee

Dear Friends and Neighbors:

Thank you for allowing me to serve you in the Maine Senate. I am honored that you have placed your trust in me and will continue to work tirelessly on your behalf.

The 1st session of the 130th Legislature was different than any previous session of the Maine Legislature. Online meetings replaced in-person, public meetings for all committee work, and it was a difficult time of adjustment as technology challenges complicated the establishment of new methods and processes. In June, as COVID-19 restrictions lifted, the Legislature held session in person, to vote out the bills. Returning to the State House for final votes, with Legislators having never spoken in person for months, is not a method that produces the best policy outcomes. The lack of human connection, so essential to accomplishing meaningful work for our constituents, made itself felt in the partisan nature of this session. However, as with other challenges brought on by the pandemic, some beneficial changes will become permanent, such as the use of technology to allow persons from all over our state interactive access to their government. The limitations of distance have been almost erased, though internet access limitations were strongly felt and highlighted.

Before our adjournment on July 19th, the Legislature passed a supplemental budget as well as legislation directing how the American Rescue Plan funds will be spent. I remain strongly opposed to tax increases, and am pleased that no new taxes will be placed on the Maine people as a result of those two initiatives.

The 130th Legislature has a great deal of work still to do in the 2nd Regular session, which is statutorily set to run from January 5th to April 20th during which time I look forward to discussing the issues important to all of you. Working together, we can affect positive change.

Many of you have reached out regarding increasing costs and expenses, as well as the countless ways the pandemic has affected every aspect of your life; we are still in tough times. As your State Senator I will continue to do all I can to advocate for policies that benefit you and our beautiful western Maine.

Again, thank you for electing me to serve you in the State Senate. Please do not hesitate to reach out with your comments or questions, or if you would like assistance in navigating our state's bureaucracy. I look forward to hearing from you!

Sincerely,

A handwritten signature in blue ink that reads "Lisa M. Keim".

COMMITTEES:
SPECIAL COMMITTEE
ON AGING
CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends:

I am deeply honored to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share some of the areas I have been working on over the past year.

The ongoing COVID-19 pandemic continues to pose enormous challenges for our state and our country. When the pandemic began, I co-authored the Paycheck Protection Program that helped small businesses remain afloat and keep their employees paid. In Maine, our small businesses received more than 47,000 forgivable loans totaling \$3.2 billion. I also led efforts to provide relief for loggers, lobstermen, and bus companies.

In addition, I helped secure \$700 million to assist Maine's overwhelmed hospitals and nursing homes, and a new law I led prevented Medicare payment cuts to help further ease the financial strain on our hospitals. I also urged the CDC to update its recommendations so that our students and teachers could safely return to their classrooms, and I pressed the Administration to end the closure of the U.S.-Canada border.

While addressing the pandemic has been a major focus, I've also worked hard to ensure Maine's other needs are met. A group of 10 Senators, of which I was a part, negotiated the landmark bipartisan infrastructure bill that was signed into law in November. I co-authored the section of the bill that will provide Maine with as much as \$300 million to expand high-speed internet in rural and underserved areas.

Soaring inflation is another crisis, particularly when it comes to the cost of heating oil. I have strongly supported federal programs that help Maine families stay warm. In November, Maine was awarded \$35 million to help low-income Mainers pay their energy bills. And the bipartisan infrastructure bill included \$3.5 billion to help families make energy efficiency improvements that would permanently lower their heating costs.

As a senior member of the Appropriations Committee, I have supported investments in Maine's communities. This year's funding bills include \$265 million I championed for 106 projects across Maine. These projects would help create jobs, improve workforce training, address the opioid crisis, and increase access to childcare and health care services. In addition, I worked to reverse proposed cuts to our Navy in order to help protect America and keep the skilled workers at Bath Iron Works on the job. The bills also include \$475 million for the construction of a new dry dock at Maine's Portsmouth Naval Shipyard that will allow the Navy to continue to carry out its submarine missions. I will keep working to get these important bills enacted.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,000th consecutive vote, becoming the only Senator in history to do so without ever having missed a roll call vote. The Lugar Center at Georgetown University once again ranked me as the most bipartisan Senator for the eighth year in a row.

In the New Year, I will keep working to solve problems and make life better for the people of Maine and America. May 2022 be a happy, healthy, and successful one for you, your family, and our state.

Sincerely,

Susan M. Collins
United States Senator

January 2022

Dear Friends & Neighbors:

With my stint in the Legislature drawing to a close, I want to once again thank the good people of Lovell for allowing me the opportunity to serve them at the State House. Challenges caused by the enduring COVID-19 pandemic still make daily headlines, while policymakers at all levels of government work to restore some sense of normalcy by exploring available options to preserve constituents' overall wellbeing. Maine's economy appears to be weathering these unprecedented times, as State revenue forecasters project Maine will collect \$822 million more than initially expected during the current two-year budget cycle ending in mid-2023 -- an increase of nearly 10 percent.

The Second Regular Session of the 130th Maine Legislature began January 5, 2022, and statutory adjournment is set for April 20, 2022. Legislators will attempt to finalize the various bills carried over from the First Regular and First Special Sessions, at the same time as taking into consideration new legislation deemed to be emergency in nature, dealing with budgetary matters, proposals from the Governor, initiatives submitted pursuant to statute, legislation submitted pursuant to authorized studies, and legislation submitted by direct initiative petition of the electors. Much of this business will likely be conducted virtually, so I would encourage you to monitor the Legislature's Web site if you have an interest in following proceedings. Other means to stay up to date on the latest State Government news is by providing me with your email address so that it can be added to my regular e-newsletter distribution list, as well as signing up to receive notifications via Maine.gov at <https://www.maine.gov/portal/subscriptions/email.html>. Maine.gov offers a convenient way to sign up for free email and SMS text notifications. It also allows you to sign up for email and wireless updates about topics relevant to your interests.

In closing, it has been an honor representing your interests at the State House since I was first elected in 2014. Rest assured, my work is ongoing to make certain you, your children, and even your grandchildren are offered an environment free of an overzealous government, thus enabling the pursuit of the American Dream to continue.

Best regards,

Frances M. Head
State Representative

Dear Friends and Neighbors,

As I near the end of my fourth term, I wanted to express my appreciation for you, once again, entrusting me with the responsibility of being your State Representative. I am finishing my final term as the ranking member on the Joint Committee on Energy, Utilities, and Technology.

Most of the work in first session of the 130th Legislature was conducted at the Augusta Civic Center, and I am proud to share that my bill, **LD 662**, "*An Act to Provide Chiefs of Police the Discretion to Allow the Use of Light Bars on Emergency Vehicles*," was signed into law. The bill allows municipal officers, or a municipal official designated by the municipal officers, with the approval of the fire chief, to authorize an active member of a municipal or volunteer fire department to use one red light bar, on the roof of the vehicle, so that the light is visible to approaching traffic. This new law will help promote safety along the Maine-New Hampshire border and in municipalities throughout Maine. I sponsored this legislation at the request of the Sacopee Valley Fire Association in North Fryeburg, which is a volunteer fire department that services the towns of Fryeburg and Stow in Maine, and the town of Chatham in New Hampshire. This new law will enhance public safety and help prevent accidents.

The statutory adjournment date for the second session of the 130th Legislature is scheduled for April 20th. As always, I encourage you to actively participate in your state government. Phone calls and letters are always welcome. With the wider use of technology, meetings and hearings are more accessible than ever. Using the homepage of the Maine Legislature: legislature.maine.gov, you will find access to Zoom meetings and YouTube videos, which includes our committee hearings.

I send a weekly e-mail with current state news. If you wish to receive these updates, please contact me at nathan.wadsworth@legislature.maine.gov and I will gladly add you to my email list.

Again, thank you for the honor of representing you in Augusta, and may you all have a safe and healthy 2022.

Sincerely,

A handwritten signature in black ink that reads "Nathan J. Wadsworth".
Nathan J. Wadsworth
State Representative
