Message:

Dear Ms. Williams,

I am writing as a tax payer and year round resident of Lovell to voice my support of Mr. Breyer's decision to reject the application for expanded self-storage facilities on Route 5. I would also like to voice my hope that attention be brought to the need to install buffering landscape between the storage units and Route 5 and also limiting signage on this property.

Thank you for your attention to this matter and for the good work that you do for the town of Lovell.

All the best,

Susan Houlahan-Tubman
351 Foxboro Rd.
